OPEN MAINFRAME SUMMIT

2023 Event Plan

Open Mainframe Summit 2023 will be held in conjunction with two leading industry events, with the focus being on better engaging end-users in target audiences.

➜ IBM TechXchange 2023, Las Vegas, September 11-14, 2023

➜ Open Source in Finance Forum, New York, November 1, 2023

When: September 11, 2023

Where: MGM Grand, Las Vegas

Audience: Broad mainframe end-users, technologist focus

Event Plan:

- Single day, two tracks (plan for 12-14 talks)
- Project meeting space available
- Booth in main event
- Event pass information TBD; speakers will receive complimentary pass

CFP to be announced

No sponsorships available
